MANHATTAN AREA TECHNICAL COLLEGE

Manhattan Area Technical College provides quality technical and general education to prepare individuals to pursue technologically advanced careers and lead productive lives in a dynamic and diverse global environment.

Programs are currently offered in:

- Health Science (Associate Degree of Nursing, Practical Nursing, Dental Hygiene and Medical Laboratory Technology)
- Biotechnology (Advanced Biotechnology Certificate and Biotechnology Laboratory Technician)
- Construction and Engineering (Air Conditioning & Refrigeration, Building Construction, Digital Drafting Design Technology, Electric Power & Distribution, and Welding)
- Business and IT (Business & INT, Business Administration, and Information Networking Technology)
- Transportation (Auto Collision Repair and Automotive Technology)

General Education Courses are also offered each semester. These courses are approved by the Kansas Board of Regents to be accepted in transfer for general education credit at any public postsecondary educational institution in Kansas.
