

INTRODUCTION

The *Community Information Directory: A Directory of Resources in the Junction City Area* is a product of the Reference Department of the Dorothy Bramlage Public Library. It provides basic contact information and descriptions for approximately 300 agencies and organizations in the area, from the Alcohol and Drug Abuse Hotline to the Zion United Church of Christ. Entries are arranged alphabetically by name. A list of categories precedes the entries and a list of area meeting rooms follows them.

Copies of the directory are free. Print versions are available at the Dorothy Bramlage Public Library. An online version is also available on the library's web page: www.jclib.org. The directory may be downloaded via Adobe Reader and printed from there.

To add a service or an organization to the *Community Information Directory* or to update outdated or incorrect information for an existing entry, please contact Emily King at the Dorothy Bramlage Public Library (785-238-4311 or emilyk@jclib.org). New entries and updates will be incorporated into the web product immediately and will also appear in the next annual print edition. Suggestions for how to make the directory more useful and user friendly are always welcome.

Thank you to everyone who participated in the creation of the directory, including all who provided information for the content. Thanks also to the reference staff who compiled the information. We hope you find it a useful and user friendly community information resource.

It is the nation's largest wartime veteran's service organization, committed to mentoring youth and sponsorship of wholesome programs in our communities, advocating patriotism and honor, promoting strong national security, and continued devotion to our fellow service members and veterans. The American Legion is a nonpartisan, not-for-profit organization with great political influence perpetuated by its grassroots involvement in the legislation process from local districts to Capitol Hill. Legionnaires' sense of obligation to community, state and nation drives an honest advocacy for veterans in Washington. The Legion stands behind the issues most important to the nation's veteran's community, backed by resolutions passed by volunteer leadership. Our success depends entirely on active membership, participation and volunteerism. The organization belongs to the people it serves and the communities in which it thrives.
