

Dorothy Bramlage Public Library Summer Reading Program!

Every year the library has a summer reading program for children and teens in grades PreK—12th! This year's Summer Reading theme is "Tails and Tales." Our summer reading program is from May 15—July 31. When you sign up for the summer reading program, children and teens have the opportunity to win a total of 3 prizes! How do you win prizes? Simple. Read, read, read!

There are 4 summer reading programs for 3 age groups (PreK, K-5th grades, and 6th-12th grades). Children in the PreK and K-5th programs will complete the program by number of minutes read. Teens in grades 6th-12th have the option of either completing the program by minutes read or books read. Each age group has 3 prize levels. After participants complete a prize level, they can collect their prize from the library.

Registration begins May 15. Participants can either register online (www.jclib.org or our Facebook page) or in person at the library.
