Winter reading looks a bit different this year! Let us explain!

This year, log 12 books and receive a special edition library mug and one drawing ticket. You can log in person or online, using the links on our library website or Facebook page.

Books logged must be YA level or above. You can not register and log at the same time during Winter Reading.

Moo-ve it up a notch and complete 5 challenge activities from the winter reading brochure to receive another drawing ticket. Pay attention to activities that require library staff initials.
